Are you ready for networking IRL?

Building on our successful run of events in 2023, Affinity Projects will continue hosting quarterly Gather happy hour events for folks working in and adjacent to the nonprofit sector. This unique networking event is for mission-driven professionals looking to connect with like-minded folx. Whether you need moral support, a dose of inspiration, or are looking for collaborators, this is the event for you!

Gather is designed to increase social and professional connectivity throughout the nonprofit sector and with allied professionals, so we can build effective movements for social change. This networking event will provide an opportunity for professionals committed to social justice to meet peers with whom they can connect, build community and seed collaborations. Meant for professionals across sectors – nonprofits, government, independent business owners, and B Corps – to make connections, while building community and solidarity.

Questions, accommodation requests, and inquires regarding sponsorship can be directed to Natalia Kay-O'Brien at affinityprojectspdx@gmail.com or 503-935-0899.
